Youth Photographic Society (YPS) was established in September 1971 under the patronage of the then Department of Youth Services & Sports, Government of Mysore. Among a few hobby groups formed in the State Youth Center, a handful of interested photographers started YPS under the guidance of the then Director of Youth Services Mr. Vijay. The society was registered in 1972 with Ms. Vanaja Rao as the first president of YPS. Later another Director of Youth Services Mr. Joginder Singh too bestowed all possible help to the society.

Over the years, YPS has grown to be one of the most prestigious and active photography clubs in India. Having entered the Golden Jubilee year, the society presently has 312 Life Members, 726 Individual Members and 38 Junior Associates from all over the country. YPS has the highest number of International Distinction holders (140+) and its members have made a mark in the international photography arena by winning multiple awards by their sustained efforts. Stalwarts in art photography, Late Dr. G. Thomas FPSA, FRPS, Hon.YPS, Late Mr. C. Rajagopal MFIAP, FRPS, FPSA, Hon.YPS and Late Mr. E. Hanumantha Rao AFIAP, Hon. YPS have closely guided the growth of YPS along with highly applauded photo-artists like Late Mr. T.N.A. Perumal FRPS, MFIAP, Hon.YPS, Mr. B. Srinivasa FRPS, MFIAP, Hon.YPS and Mr. M.S.Hebbar, AFIAP, Hon.YPS.

YPS has been actively organizing programs, workshops and presentations in various areas of photography. YPS has been very active even during the pandemic by conducting member meets and webinars by experts not only for its members, but also for other photo enthusiasts and these have become very popular.

The monthly journal Dṛṣṭi, with informative articles and high-quality photographs has been winning hearts all over.

YPS has the distinction of having organized 38 National and 11 International salons. These salons are the most sought after by Indian and International participants on account of its professionalism, transparency and carefully choreographed exhibitions of prints. YPS is also perhaps the first club to hold Virtual Exhibitions in the wake of the pandemic in 2020. All YPS salons are known for their open judging process that can be witnessed live by any participant or photography enthusiast. This is a unique feature that has helped many photo artists improve their works.

YPS has a focused group for Salon participation through which members participate in a number of National and International Salons and win significant awards. In the last two years alone, this team has won a staggering 232 Best Club Awards from National and International Salons. In short, YPS has set a great example of what a Photography Club can achieve by active participation, belonging and contribution by members, to take the club to great heights.

YPS has adopted new technologies and has a well-designed website (ypsbengaluru.com) and has its own state-of-the-art salon management software. Thus,

the society has not only set new benchmarks for other photography clubs to emulate, but also constantly strives to keep raising its own bar. It also strives to serve as a major source of information, education and inspiration to photography art enthusiasts.

Message from the Chairperson

Etched in Gold:

First and foremost I express my gratitude to the executive committee for entrusting me with the role of a chairperson in this very prestigious and historic salon of our Golden Jubilee year. I am humbled and honored to be the first woman salon chairperson in the history of YPS. This being YPS Golden Jubilee Year, the All India Digital Salon 2021 is etched in gold in the annals of YPS history for many reasons!

The executive committee was determined to make the salon very special. The first step was to make **Participation Free** for all and for the first time, we have our own customised and classy YPS Medals. Along with the regular awards, special prestigious awards in the name of eight Photography Legends of Karnataka were instituted.

With the unexpected demise of Sri Neginhal, Hon YPS, an award in the Nature Section was also instituted in his memory. Young Talent Awards encourage the young photographers too. We continued with the tradition of offering cash awards to encourage photographers.

YPS salons are very popular with photographers and this being free participation combined with wide publicity resulted in a flood of entries. **My heartfelt gratitude to all the 1,039 authors who submitted a whopping 13,321 works in 4 sections and created a National Record.** The salon has truly helped popularise the Art of Photography. A large number of first time participants showed their eagerness to learn the Art of Photography! I certainly hope they will take their passion forward for this great art form.

My sincere gratitude to the eminent jury members who used their rich photographic knowledge to choose the best photos for awards. Judging the huge number of entries in each section was a daunting task as the session had also to be webcast live. Hope you enjoyed the pictures and the four days of live scoring. For the first time we had the presence of 'Salon Saathi' of FIP during the award selection process and I am sure they were impressed by the transparent and efficient manner in which YPS salons are conducted.

Unique and attractive downloadables were designed not only for the award winners but for each and every participant, thereby emphasizing the importance of participation. We at YPS are committed to paying minute attention to every detail, to give the best to every photographer who associates with us!

Dear friends, do thumb through the catalog and enjoy the excellent works. Keep your passion going strong, keep learning and enjoy every step of the way!

Acknowledgements

My grateful thanks to Salon Partners Sri Goutham Shankar from 'BookMyLens', Dr M P Somaprasad, Print Partner 'TechNova' and to all Award Sponsors as well as the salon team for their commitment and support. Krishna Bhat was the perfect Secretary, great support and ever willing to work. Sponsorship was single handedly taken care of by Vikas Sastry along with being a great overall support. Ananth Kamat provided excellent support along with Reviewers Anitha Mysore, Chandrashekar S, Girish Ananthamurthy and Nandan Hegde who were constantly busy notifying authors when required. The Media team, with Hardik P Shah, providing a wide reach through social media, Murali Santhanam through mails, Vikas through broadcast, K S Rajaram through print media gave wide publicity resulting in an unprecedented record number of submissions. Rajasimha Satyanarayana, our ace designer, designed this exquisite catalog, salon logo, graphics, and the exclusive customised YPS medal. As always Murali Santhanam not only proved to be a web wizard but an all round support. Chetan Rao Mane created classy new tent card desktop certificates and customised honorable mention ribbons enclosed in a well designed folder. Manju Mohan has been instrumental in planning a very lively on-site / virtual exhibition along with leading the initiative of customised medals. Our benevolent Treasurer M S Kakade kept our finances well balanced and most importantly, our advisor, H Satish was a strong backbone to the committee.

Photography Has No Age Bar - keep your passion going.

"Congratulations for Golden Jubilee celebrations.

It is a matter of pride and happy moment for all YPS members, for being here celebrating 50 years of service to the Art of Photography.

We have come a long way, not only organizing regular programmes, but conducting successfully both All India and International salons and setting an example for others to follow.

On this occasion of the 39th All India Digital Salon, commemorating the Golden jubilee, I am very happy to know that we have received a record number of entries, under the able leadership of Chairperson

Ms. Prema Kakade and Salon Secretary Mr. Krishna Bhat. Infact, this is the first time in the History of YPS, a lady being the chairperson, has organized the salon very efficiently. I congratulate the whole team and wish all the very best in their endeavours."

It's a matter of great pleasure that YPS has received 13,321 entries in its National Salon 2021 - the highest so far in any National Salon organised under the Patronage of FIP.

Sri Thanjavur Nateshachary Ayyamperumal (1932-2017) was a hunter turned wildlife photographer. His accidental meeting with Mr. O C Edwards changed his life so much that he gave up his job as a Radio Engineer and became Chief Photographer with Mr. M Y Ghorpade. He served on the board of Mysore Photography Club. He was also the Secretary of FIP Nature Division in the early 70s.
